## Defendants

Come the plaintiffs, by and through counsel, and hereby move the Court that they be permitted to withdraw their previously filed motion to remand this case to state court. This motion is based upon the fact that it appears that the defendants, Glen A. Chin and Carla R. Conigliaro, gave notice of their consent to removal in this action on December 11, 2012 (Docs. 7 and 8), although said consents to removal were not furnished to plaintiffs' counsel at

the time of the filing leading plaintiffs to believe that the two defendants had not consented to the removal and that the removal lacked unanimity of consent.

It appearing in this cause that all defendants either joined in the removal notice or gave separate notice of their consent to removal, the plaintiffs hereby move to be permitted to withdraw their motion to remand the case to state court.

Respectfully submitted,
